

TRENDS & TOPICS

Turner Alfrey Visiting Professor Program

One of the education programs sponsored by the SPE Detroit Section is the Turner Alfrey Visiting Professor (TAVP) Program at Michigan Molecular Institute (MMI) in Midland, MI.

Professor Axel Mueller from the Johannes Gutenberg University in Mainz, Germany will present a series of five three-hour lectures (which can be audited by SPE members at no charge) and a presentation at a joint technical society dinner meeting in Midland (which can be attended by SPE members for only \$25.00). Advance reservations are required for each.

For more details on Prof. Mueller, the lectures, and the joint technical society dinner, visit www.mmi.org/about-mmi/turner-alfrey-visiting-professorship.
