The KraussMaffei Group is among the world's leading suppliers of machinery and systems for producing and processing plastics and rubber. Its product and services cover the whole spectrum of injection and reaction molding and extrusion technology. The KraussMaffei group is innovation-powered, supplying its products, processes and services as standard or custom solutions which deliver sustained added value along the customer's value-adding chain. The KraussMaffei group employs 5,000 people with a global network of 30 subsidiaries and more than 10 production plants supported by more than 570 sales and service partners. KraussMaffei headquarter has been in Munich since 1838.

Cost: Free for SPE members, students & faculties. \$10 for non-SPE members.

RSVP: Ms. Karen Rhodes-Parker at karen@spedetroit.com or call (248) 244-8993 Ext 3.
