

Society of Plastics Engineers, Inc.

25th Annual Material Auction – February 22, 2019

MGM Grand Casino – Detroit

1777 Third Street, Detroit, Michigan 48201

Go to www.spematerialauction.com for more information

The Detroit Section of the Society of Plastics Engineers (SPE) will hold its 25th annual Material Auction on Friday, February 22, 2019, once again at the MGM Grand Hotel & Casino, Detroit, MI. This event raises funds for the Educational Programs of the Detroit Section. As you know, the primary focus of the SPE is providing scholarships to individuals pursuing careers in various plastic disciplines at local colleges and universities, supporting student chapter directives, and providing educational/technical seminars to SPE members and student members. The Material Auction also, provides funding to send the Plastivan to local elementary, middle and high schools. The Plastivan program educates students about the chemistry, processing, sustainability and application of plastics.
